

Management of Conflicts of Interest Breach – May 2017

In May 2017 a breach was reported which related to the sending of restricted Minutes of a meeting to a conflicted Member in error. The email and its contents were deleted before the conflicted Member could read it and as the Member was on annual leave at the time, they had no sight of the email. The breach was investigated in line with the CCG's Breach Reporting process and the Deputy Director of Governance deemed the breach as 'Level 1 – No material effect'. This conclusion was approved by the Conflicts of Interest Guardian.
